All of these items were left unattended by the owners. **Please do not leave your personal items unattended anywhere on campus.** If you have any information concerning these crimes please contact NHCC Safety and Security at 763-424-0807 or stop by our desk in the campus center.

The following are tips that may prevent you from becoming a victim of this crime:

- **Do not leave valuables unattended. If you do make sure to keep them out of plain sight, hide them, or lock them in your trunk.**
- When transporting valuables place them in your trunk before you get to the location where you intend to park. Do not transfer them at the parking lot in open view of other people.
- Only bring the items you will need for that particular day of class/work. Do not carry extra credit cards or large amounts of cash.
- Mark your CD players, cells phones, and other personal items with a personal identification number. If the stolen item is recovered, the number can help trace it back to you.
