Your application was selected for verification. NHCC is required by Federal regulations to compare your FAFSA information to Federal tax and other income documents. If differences are identified, NHCC will send a FAFSA correction and your eligibility will be recalculated. After the verification review is complete, you will receive an award notice or a revised award. Financial aid will not be disbursed until the verification review is complete. Return the requested information to the Financial Aid Office. Complete verification as soon as possible so that your aid will not be delayed. All requested information must be received no later than 14 days before the end of your first session of enrollment.
