New Student Welcome Day!

Welcome Day Breakout Series Descriptions

Taking Lecture Notes

- Lecture notes are your personal and vital record of information that your teacher wants you to know. If a topic or concept is talked about in class, then it's a good bet it is important information that you'll need to know in order to be successful in class. Learn strategies and methods for effective note-taking.

Presented by: Shirley Johnson, Faculty in Academic Development

CBT
171

NHCC Technology Introduction

- Learn NHCC technology platforms. D2L (Desire2Learn): online classes are found here, as well as traditional face-to-face classes may have announcements and resources available here. Learn how to login, features, message boards, grades, uploading assignments to the drop box, and navigating your course
Consider e-mail set-up assistance, Star Alert introduction and set-up, AgileGrad introduction and how to navigate????

Presented by: TBD

CBT
161

Navigating Your First 2 Weeks

- Let us help you find your way through the sometimes very confusing first two weeks of taking college classes! Topics include: figuring out who your advisor will be and how to make an appointment, what are add/drop periods and what does a "W" mean, good academic standing, why attending class is so important, and lots of resources.

Presented by: Ben Mullen, Academic Advisor

CBT
162

Procrastination and Time Management

- Are there things you've been meaning to start, but haven't gotten done yet? Do you wait until the last minute to start your assignments? Do you fall behind easily? Come learn some effective time management and organization tips and ways to ensure you are a successful student!

Presented by: Thomas Staael, Faculty in Academic Development

CBT
174

Career/Major Decision Making

- Your unique strengths and interests lead to specific career paths. This workshop will focus on your interests and how they relate to choosing a career or college major.

Presented by: Samantha Schendzielos, Counselor in Counseling and Career Center and Faculty in First Year Experiences

CBT
TBD

Starting Point)

Take notes here:

A vertical red line runs down the left side of the page. Three blue circular markers are placed on this line at the top, middle, and bottom. The page is ruled with horizontal blue lines, creating a series of lines for writing notes.
