*****The Department of Veterans Affairs requires you only take courses necessary for degree completion at North Hennepin Community College. We cannot certify coursework, unless developmental, that does not fit directly with declared program*****

I understand it is my responsibility to notify the Certifying Official in Admissions and Registration of any changes made to my schedule that may affect my withdrawal status (i.e. additions, drops or withdrawals) so that these changes can be reported to the Department of Veteran Affairs in a timely manner. Failure to do so could create a debt, which I would need to repay to the VA.

I also understand the VA will not pay for repeated courses when they were already satisfactorily completed (repeating for a better grade).

I understand I need to get official transcripts from my other school(s) if applicable.

I understand I can only take coursework designated for my specific declared program at NHCC (if not a guest student).

I understand if I change my major at NHCC, I need to fill out a 22-1995 or 22-5495 and submit it to the NHCC Certifying Official in Admission and Registration.

By signing below, I acknowledge that I have read and filled out this form to the best of my knowledge.
