

Associate in Arts (A.A.) and Minnesota Transfer Curriculum 2015 — 2016

Program Overview

The Associate in Arts (A.A.) is awarded for successful completion of 60 designated credits and is designed to constitute the first two years of a liberal arts bachelor's degree program. The Associate in Arts is a liberal arts degree intended primarily for students who plan to transfer to another college or university to complete a bachelor's degree.

Students may also choose to concentrate in a particular field of study in preparation for a planned major or professional emphasis at a four-year college by following the pre-major requirements of the desired transfer institution.

An A.A. degree includes the entire Minnesota Transfer Curriculum (MnTC), 40 semester credits of general education. Pursuant to Minnesota state statute, the MnTC must transfer to any institution within the Minnesota State Colleges and Universities system (MnSCU) or the University of Minnesota.

Students are encouraged to develop an educational plan with an advisor or counselor to assure that they are meeting degree requirements and planning for a successful transfer.

Program Outcomes

1. Develop a foundation of essential knowledge about the cultural, social & natural worlds, and individual well-being.
2. Develop intellectual and practical skills, including: understanding the commonalities and diversity of the human experience, values & opinions; understanding the forms of artistic expression and their inherent creative processes-thinking critically, applying systematic reasoning and developing information management quantitative skills; communicating clearly and effectively.

3. Demonstrate personal and social responsibility, including: developing a code for personal and civic life as a responsible citizen in a democracy; maintaining good mental and physical health and social adjustment; seeking new knowledge independently.
4. Integrative and applied learning, including: the ability to apply General Education to the issues of our times.
5. Be prepared to transfer to and succeed, at an upper-level academic institution.

General Requirements

- Complete 40 credits in the Minnesota Transfer Curriculum, satisfying the requirements for each of the 10 goal areas.
- Grades of A,B,C, and D are accepted in the MnTC; however, a cumulative 2.0 GPA is required to complete the entire 40-credit, 10 goal area Minnesota Transfer Curriculum.
- Complete at least 4 credits for the wellness requirement, with at least one course from Health and one course from Physical Education.
- Complete 16 elective credits selected from any college course offering numbered 1000 and above.
- A cumulative 2.0 GPA is required to graduate with the Associate in Arts degree.
- Earn a minimum of 20 semester credits of the 60 required for the A. A. at NHCC.

Minnesota Transfer Curriculum (MnTC)

Students completing the Minnesota Transfer Curriculum must take courses that satisfy each of the 10 goal areas. A minimum of 40 credits is required. Courses designated with a superscript satisfy more than one goal area, however, credits may only be counted once toward the 40 credit minimum.

Academic Advising

Academic Advising for students in the Associate in Arts degree is available through the Advising Center (ES 69), located in the Educational Services Building.
