Late Entry / Course Exchange Instructions

The Late Entry/Course Exchange Request form is used to:

- Add a course after it has started
- Add a course even if the course is full (after the add/drop period for that course)
- Exchange one course for another (after the add/drop period)

Request Process:

STEP 1) Meet with an Academic Advisor. Go to the Advising Center to pick up a form and meet with an advisor. An advisor signature is required before the form will be processed.

STEP 2) For a late entry, request approval from the instructor and obtain his/her signature.

STEP 3) Meet with Accounting and Fees to request approval and obtain signature (Late add ONLY).
   - Accounting and Fees must approve the form to ensure there are no financial holds and payment arrangements have been made for the new registrations

STEP 4) Bring completed form to Records Office (ES 70) within one week of instructor’s signature. If the late entry request is to add a class that is full, the Dean’s signature is also required. If this is the situation, the Records Office will forward this form to the Dean. You will be notified by email regarding the status of your request.
