Personal - Social Security Number (SSN) and Date of Birth:

Providing your SSN and Date of Birth is voluntary and failing to do so will have no effect on the processing or consideration of your application. This information is requested to help identify your record within the system and ensure that all of your data is matched together, including financial aid application information, if applicable. If you provide your SSN and Date of Birth, it will be used by school officials for positive identification, institutional research, and required state and federal reporting. It may also be used within the system for purposes such as system consumer and alumni relations and to create summary data about system programs through data matches with other state agencies.
