Email: registration@nhcc.edu
Fax: 763-493-0563

Things to know:

In accordance with Minnesota state law, all students are required to provide updated immunization records by January 13, 2017. Please find the form at www.nhcc.edu/forms and/or contact Records & Registration with questions.

Students who have already registered for spring 2017 will not be dropped from courses. However, any changes in course scheduling after January 13, 2017 will not be permitted if there is no immunization record on file. A temporary delay can be requested one time. The temporary delay is only good through the 45th calendar day of the term.

Students DO NOT need to have a doctor's signature in order to submit the form, just a month, year and their signature

Exemptions include:

1. Graduation from a Minnesota high school in/or after 1997
2. Medical Exemption- which requires a doctor's signature
3. Conscientious Exemption- requires a notary

Immunizations will be available through NHCC Health Services for those who need/want them. Find more information about Minnesota state law around immunization requirements in college [here](#).

We are here to help you every step of the way. If you have questions or concerns, please contact the office of Records and Registration at (763) 424-0719.
