### Degree Information

The Associate of Arts (A.A.) is awarded for successful completion of 60 credits and is designed to constitute the first two years of a liberal arts bachelor degree program. An A.A. degree includes the entire 40 credit Minnesota Transfer Curriculum (MnTC) as the general education requirement. Students may also choose to concentrate in a particular field of study in preparation for a planned major or professional emphasis at a four-year college by following the pre-major requirement of the desired transfer institution in addition to the MnTC and A.A. requirements.

A student shall:

Earn a minimum of 60 semester credits.

Earn a grade point average of 2.00 (C) or higher in courses taken at North Hennepin Community College. Earn a minimum of 20 semester credits of the 60 semester credits required for the A.A. Degree at NHCC.

Complete the general education distribution requirement listed in the Minnesota Transfer Curriculum. The student shall select general education (MnTC) courses numbered 1000 or above to complete a minimum of 40 credits.

Have four years in which to complete their work under the terms of the catalog in effect at the time of their first enrollment.

Students taking more than four years to complete their graduation requirements may follow any catalog in effect during the four-year period preceding their date of graduation.

Complete 40 credits in the Minnesota Transfer Curriculum satisfying the requirements for each of the 10 goal areas. Complete at least 2 credits for the Wellness requirement from either Health (all courses) or Physical Education (all courses).

If the student intends to transfer, he/she is encouraged to work with an advisor to fulfill requirements for transfer to the other institution.

Completion of an A.A. degree fulfills the Goal Area 2 requirement of the Minnesota Transfer Curriculum (MnTC).

### Developmental Courses

Some students may need preparatory course(s) in Math and/or English. Courses numbered below 1000 will not apply toward a degree.
