Dear Colleagues and Students:

It has been 114 weeks since the first COVID-19 Update was sent out. We went through some difficult days but collectively we accomplished the Chancellor's directive and focused our efforts on two priorities:

- To safeguard the health, safety, and welfare of our faculty, staff, and students
- To enable students to progress toward their educational goal

While the COVID virus is still among us, things have calmed down and we are getting back to a new normal. Therefore, this will be our **last Friday COVID-19 Update**.

I would like to thank the Pandemic Task Force Members for helping NHCC weather, and even thrive, during the pandemic. We are sunsetting The Pandemic Task Force however if anything changes with the virus, we will reconvene the task force and the COVID-19 Friday updates.
