## Program Overview

### 2024-2025

The Elementary Education Foundations Transfer Pathway Associate of Science (AS) degree program offers students a powerful option: the opportunity to complete the Associate of Science degree with course credits that directly transfer to designated Elementary Education degree bachelor's degree programs at Minnesota State Universities. The curriculum has been specifically designed so that students completing this pathway degree and transferring to one of the seven Minnesota State universities enter the university with junior-year status. All courses in the Transfer Pathway associate degree will directly transfer and apply to the designated bachelor's degree programs in a related field.

## Program Outcomes

North Hennepin Community College's future educators will:

1. Engage in activities and actions that develop teacher identity and criticality.

2. Understand systemic racism by examining structural policies historically practiced in our housing, economic, employment, and education institutions.
  3. Critically examine teacher beliefs and instructional practices to provide equitable curricula.
  4. Critically examine teacher beliefs and instructional practices regarding student achievement.
  5. Critically examine teacher beliefs and instructional practices regarding assessment practices.
  6. Access resources to aid instructional design in equitable curriculum and pedagogy.
  7. Engage in a variety of cultural and professional experiences to challenge current teacher beliefs and instructional practices.
  8. Present an ongoing professional development plan to address white supremacy characteristics and challenge teacher beliefs and instructional practices.
- 

## Program Maps

Program roadmaps provide students with a guide to understand the recommended course sequence to complete their degree.

## Transfer Information

If you are planning on transferring to another institution, follow the guidelines available on our transfer resources web page to help you plan the process: [Transfer Information](#)

---

## Degree Information

The Associate of Science (A.S.) degree is intended for students whose primary goal is to complete the credentials for a specific career and/or prepare for transfer to complete a bachelors degree at a college or university with whom North Hennepin Community College has an articulation agreement. The A.S. degree provides a balance of general education courses and the required scientific, professional or technical courses in the degree program.

A student shall:

- Earn a minimum of 60 semester credits as required in the program, with a grade point average of 2.00 (C) or above in courses taken at North Hennepin Community College. Specific programs may have additional requirements or a higher minimum grade point average.
- Earn a minimum of 15 semester credits at North Hennepin Community College. A student must complete at least 50% of career specific courses at North Hennepin Community College.
- Earn 30 credits in at least 6 Minnesota Transfer Curriculum (MnTC) goal areas.
- Earn 30 professional/technical credits.

- Have four years to complete the graduation requirements as published in the catalog in effect at the time of their initial enrollment. Students taking more than four years to complete their graduation requirements may follow any catalog published during the four-year period preceding their graduation.

Completion of an A.S. degree fulfills the Goal Area 2 requirement of the Minnesota Transfer Curriculum (MnTC).

**Developmental Courses** Some students may need preparatory course(s) in Math and/or English. Courses numbered below 1000 will not apply toward a degree.

**Equal Opportunity Employer and Disability Access Information** North Hennepin Community College is a member of Minnesota State Colleges and Universities system and an equal opportunity employer and educator. This document is available in alternative formats to individuals with disabilities by calling 7634930555 or through the Minnesota Relay Service at 18006273529.
