Milestone Courses

should be taken in the order shown. This will help you stay on track and graduate on time.

Helpful Hints

‡ Engl 0990 must be taken at the same time as Engl 1200

-Must have applied for MLT program by March 1 (prior term) and be admitted before starting in the MLT program courses (Fall start)

****Chemistry must be completed prior to applying to the MLT program, if a student doesn't have high school chemistry, they may want to consider taking CHEM1010 in the semester before they apply (Spring (March) is when application opens)**

-College algebra and college writing must be completed prior to starting in the MLT Program (can be in progress or completed when applying to the program)

-The MLT program courses are Fall start only

-MLT courses must be taken concurrently as laid out on the plan
