Program Overview

2023-2024

The Mass Communication AA at NHCC helps students develop knowledge and skills to participate in an ever-changing, multidisciplinary media environment. Our program emphasizes the core values of ethics, creativity, cultural diversity, socialization, and representation in the media and prepares students with the foundational skills to continue on to a 4-year degree or enter the workforce in a digital or social media position.

NHCC's Mass Communication program directly transfers to designated bachelor's degree programs at Minnesota State Universities. All courses in the Transfer Pathway associate degree will directly transfer and apply to the designated bachelor's degree programs in a related field.

- Earn a minimum of 60 semester credits.
- Earn a grade point average of 2.00 (C) or higher in courses taken at North Hennepin Community College.
- Earn a minimum of 20 semester credits of the 60 semester credits required for the A.A. Degree at NHCC.

- Have four years in which to complete their work under the terms of the catalog in effect at the time of their first enrollment.

Required A.A. Degree Course Distribution:

- Complete 40 credits in the Minnesota Transfer Curriculum satisfying the requirements for each of the 10 goal areas.
- Complete at least 2 credits for the Wellness requirement from either Health (all courses) or Physical Education (all courses).
