	Total Credits:	**9**		

Program Credit Total: 19

FINISHED

Milestone Courses

should be taken in the order shown. This will help you stay on track and graduate on time.

Helpful Hints

-After completing the Internet Programming Certificate, students can pursue work in a related field or continue their education with the **Computer Science Transfer Pathway AS degree** program at NHCC.

- Because of the sequencing of the courses, this program cannot be done full-time.

-**Select any 19 credits from this list for completion of this certificate (this is only a sample plan).** CSCI: 1020, 1025, 1030, 1040, 1130, 1150, 1990, 2001, 2011, 2030, 2060

-The plan will vary based on the student's math placement score and courses that have already been completed or transferred in.

Disclaimer: This roadmap represents one possible pathway through the program, so please make an appointment with your Academic Advisor to create an education plan that is customized to meet your needs. This information is subject to change.

🍁 Leaf/Dagger (†) means the class is only offered Fall semester. 🌸 Flower/Asterisk (*) means the class is only offered Spring Semester. Double Dagger (‡) means the course has a corequisite that must be taken at the same time.
