

Associate of Arts in Liberal Arts (AA) and Minnesota Transfer Curriculum (MnTC)

2025-2026

Program Overview

The Associate of Arts (A.A.) in Liberal Arts is awarded for successful completion of 60 designated credits and is designed to constitute the first two years of a liberal arts bachelor's degree program. The Associate of Arts is a liberal arts degree intended primarily for students who plan to transfer to another college or university to complete a bachelor's degree.

Students may also choose to concentrate in a particular field of study in preparation for a planned major or professional emphasis at a four-year college by following the pre-major requirements of the desired transfer institution.

An A.A. degree includes the entire Minnesota Transfer Curriculum (MnTC), 40 semester credits of general education. Pursuant to Minnesota state statute, the MnTC must transfer to any institution within the Minnesota State system (MinnState) or the University of Minnesota.

Students are encouraged to develop an educational plan with an advisor to ensure that they are meeting degree requirements and planning for a successful transfer.

Program Outcomes

1. Develop a foundation of essential knowledge about the cultural, social & natural worlds, and individual well-being.
2. Develop intellectual and practical skills, including: understanding the commonalities and diversity of the human experience, values & opinions; understanding the forms of artistic expression and their inherent creative processes-thinking critically, applying systematic reasoning and developing information management quantitative skills; communicating clearly and effectively.

3. Demonstrate personal and social responsibility, including: developing a code for personal and civic life as a responsible citizen in a democracy; maintaining good mental and physical health and social adjustment; seeking new knowledge independently.
4. Integrative and applied learning, including: the ability to apply General Education to the issues of our times.
5. Be prepared to transfer to and succeed, at an upper-level academic institution.

A.A. Requirements

- Complete 40 credits in the Minnesota Transfer Curriculum, satisfying the requirements for each of the 10 goal areas.
- Grades of A,B,C, and D are accepted in the MnTC; however, a cumulative 2.0 GPA is required to complete the entire 40 -credit, 10 goal area Minnesota Transfer Curriculum.
- Complete at least 4 credits for the health requirement, with at least one course from Health and one course from Exercise Science.
- Complete up to 16 elective credits selected from any college course offering numbered 1000 and above, to meet the 60 total credit requirement.
- A cumulative 2.0 GPA is required to graduate with the Associate of Arts degree.
- 15 credits must be earned at NHCC

Minnesota Transfer Curriculum (MnTC)

Students completing the Minnesota Transfer Curriculum must take courses that satisfy each of the 10 goal areas. A minimum of 40 credits is required. Courses designated with a superscript satisfy more than one goal area, however, credits may only be counted once toward the 40 credit minimum.

Academic Advising

Advisors are available to meet with you by phone or Zoom (video call), or in-person. Appointments are 30 minutes in length and are required for questions related to transfer, course planning and graduation checks.

To schedule an appointment, please call the Advising Center or schedule it online through Navigate.

Email: advising@nhcc.edu

Assessment & Prerequisites

Students admitted to North Hennepin Community College may need to complete additional courses based on placement test results and course prerequisite requirements. Coursework below the 1000 level does not count towards A. A. degree requirements.

*Information is subject to change.
This program guide is not a contract.*

Goal 1: Communication (3 courses, 9 credits, ENGL 1200 or 1201 & 1202 or 1203 required)	Course completed	# of Credits
ENGL 1200 or 1201 (required), ENGL 1202 ² or 1203 ² (required), 1800 ⁹	1. _____	_____
	2. _____	_____
