

# OPEN HOUSE AGENDA

## To Do:

---

- Visit program & resource tables in Helling Hall
- Attend an Admissions Info Session to learn more about NHCC
- Apply to NHCC for FREE (room CBT 182)
- Get started on the FAFSA (room CBT 161)
- Tour campus (find a tour guide by the large staircase)
- Attend breakout sessions - running every 30 minutes, see the schedule below:

## Breakout Sessions Schedule:

---

### 3:30pm-4:00pm

#### **Admissions Information Session**

3:30pm, 4:30pm, 5:30pm in room CBT 210 (second floor)

Join us for an information session to learn more about NHCC's programs, resources, costs & financial aid, and how to enroll!

#### **Scholarship & Financial Aid Opportunities**

3:30pm, 5:00pm in room CBT 205 (second floor)

Learn about scholarship and financial aid opportunities offered at NHCC! We'll review resources that are available, the application processes, and important deadlines.

#### **TRIO Information Session**

3:30pm, 4:00pm, 4:30pm in room CBT 169

Find out how TRIO SSS provides personalized support to help you reach your goals.

#### **Tour of Biology Labs**

3:30pm, 4:30pm meeting in room CBT 174 then heading over to Bio Labs

Come check out research and teaching spaces where biology majors learn! We'll show you equipment like thermocyclers, nanodrop spectrophotometers, centrifuges, incubators, gel imagers, and even a fruit fly breeding facility.

## **3:30pm-4:00pm [continued]**

### **What is Data Science?**

3:30pm, 4:00pm in room CBT 166

A general overview of data science and its career possibilities.

### **College Writing Requirements: Did You Know You Have Choices?**

3:30pm, 4:00pm, 4:30pm in room CBT 160

Most programs at NHCC require College Writing I and II, but you have choices when taking these classes! This session will briefly review each course in all their variations, explain relevant support available on our campus, and invite you to explore our Guided Self-Placement.

### **Business Degrees at NHCC**

3:30pm, 4:30pm, and 5:30pm in room CBT 178

Discover the diverse educational opportunities available in Business, Accounting, and Business Computer Systems. This session provides an overview of degree and certificate programs, as well as valuable insights into transfer options to further your academic and professional journey. Whether you're aiming to build foundational skills or prepare for advanced studies, learn how these programs can help you achieve your career goals.

### **Faculty and Student Creative Writing**

3:30pm, 4:00pm in room CBT 167

NHCC students and faculty will share and discuss samples of their creative writing.

### **Where Economics Meets Political Science: Hot Takes on News Headlines and Public Policy**

3:30pm in room CBT 168

Interested in studying economics or political science? Stop by to learn about the Transfer Pathway AA in Economics and how Political Science courses complement the program. We'll also look at how economists and political scientists analyze current events and public policy from different, but complementary perspectives.

### **Cultural Confluences: Storytelling in Art and Music**

3:30pm, 4:00pm in room CBT 179

Through musical performance and lecture, professors from the Art department and Music department offer ways that visual art and music depict and share stories.

## 3:30pm-4:00pm [continued]

### **Ceramics, Art Department**

3:30pm, 4:00pm in room FAC 134 (see map for directions)

A ceramics demonstration will take place and questions surrounding the NHCC Art Department will be answered.

### **Paid graphic design internships & the NHCC Xperience Project**

3:30pm in room FAC 126 (see map for directions)

NHCC's graphic design internship program — the Xperience Project (XP) — annually connects graphic design majors with metro area employers who need design talent. Learn how the NHCC Graphic Design Program stays current with the needs of the design industry, including how the XP has catalyzed nearly 80 paid graphic design internships (so far) for students over the past 10 years.

## 4:00pm-4:30pm

### **PSEO Admissions Information Session**

4:00pm, 5:00pm in room CBT 211 (second floor)

Are you a current high school student wanting to get some college credits done for FREE while still in high school? Join us for an information session where we will discuss the PSEO admission process, eligibility, deadlines, important items to know about being a PSEO student, and more!

### **TRIO Information Session**

3:30pm, 4:00pm, 4:30pm in room CBT 169

Find out how TRIO SSS provides personalized support to help you reach your goals.

### **Cultural Confluences: Storytelling in Art and Music**

3:30pm, 4:00pm in room CBT 179

Through musical performance and lecture, professors from the Art department and Music department offer ways that visual art and music depict and share stories.

### **Faculty and Student Creative Writing**

3:30pm, 4:00pm in room CBT 167

NHCC students and faculty will share and discuss samples of their creative writing.

### **What is Data Science?**

3:30pm, 4:00pm in room CBT 166

A general overview of data science and its career possibilities.

## 4:00pm-4:30pm [continued]

### **Ceramics, Art Department**

3:30pm, 4:00pm in room FAC 134 (see map for directions)

A ceramics demonstration will take place and questions surrounding the NHCC Art Department will be answered.

### **Paid graphic design internships & the NHCC Xperience Project**

3:30pm in room FAC 126 (see map for directions)

NHCC's graphic design internship program — the Xperience Project (XP) — annually connects graphic design majors with metro area employers who need design talent.
