

PSEO Funding Restrictions

- This form is subject to change and may not be comprehensive.
- The PSEO program does not cover the expenses for:
 - Courses with supplemental fees added to the cost of the course **or**
 - Developmental courses (courses numbered below 1000) **or**
 - The Summer term
- PSEO students are not eligible to take classes through Credit for Prior Learning.
- The Records and Registration Office will drop you from any course not covered by the PSEO program.
- To check for fees, search course in eServices and click on the course title. Courses with fees in the notes section indicate a course not covered by PSEO.
- Students are not able to retake courses they have already completed with a grade of an A, B, C, D, W (withdraw), or NW (withdraw for non-attendance).
- PSEO Students are not eligible for admission to the Nursing, MLT, Paralegal, Phlebotomy, or Peace Officer Skills programs. You are allowed to take general education and approved pre-requisite courses towards these programs.

Registration is permitted for the following courses, but have additional fees you must pay:

Note: There are specific supplies required for these classes not covered by the PSEO program. The prices written here are subject to change. For updated prices, check with the NHCC Bookstore.

*You cannot take Digital Photography (ART 1160) on campus; however, the completely online option is permitted.

PSEO Funding Restrictions

If you receive any communication from the college reminding you when tuition is due and that your registration could be cancelled, please contact Admissions immediately at (763) 424-0724 to verify you are coded correctly under the PSEO program.

1. **Registration:** Fall 2026 PSEO Registration begins **Monday, March 30th, 2026**, at 8:00am.
2. **Below College Level Courses:** Please remember that the PSEO program does not cover any classes at the 0800 or 0900 level or any classes with a special course fee. The Records and Registration Office will drop you if you register for courses below 1000 or if they have any special fees. Paying out of pocket for courses with extra fees is **not** an option.

PSEO Books:

Use the [NHCC Bookstore website](#) to find if your textbooks are digital or print.

- If **digital**, there are no steps you need to take.
- If **print**, you must get your books in-person from the NHCC Bookstore, beginning **July 27th**.

You can find details about PSEO book charging on the [NHCC Bookstore website](#).

Book Charging List: The bookstore maintains a PSEO book charging list. If you have any issues getting your books, please contact the Admissions department to make sure you have an updated 3-part form or if you have any other hold that would block your ability to charge books.

Other issues: If you *drop* (i.e. go from 3 courses to 2 courses), *drop via course exchange*, *withdraw* from a course, *WN* (withdraw for non-attendance), or *FN* (failure for non-attendance), you must return the textbooks, materials and/or bundles in usable condition along with any unused access codes (if applicable) to the bookstore **within 5 business days of the drop or withdraw**. You will be responsible for 100% of the original price for textbooks not returned or if you violated the access code, for any *dropped or withdrawn* classes.

End of Semester Book Return Reminder: Printed books are due on the last day of finals.

Fall 2026 final book return is **Saturday, December 19th**. You must return textbooks and materials for completed courses (including CD's, lab manuals and workbooks) to the bookstore in usable condition by 4:00pm. A fee equal to 75% of the original cost will be due for any textbooks not returned or not returned in saleable condition. You may return textbooks and materials as soon as a course is completed.

The bookstore will not accept textbooks and materials for return after the deadline. Students who do not return their books on time will have a textbook balance hold placed on their account. Please be informed that the college can assess up to \$50.00 in late fees per semester.
